

FEBRUARY2022

STUDY ABROAD@BMC

From the Desk of Tracy Weber, Director of Global Education, Bryn Mawr College

Thank You!

Bryn Mawr faculty play an essential role in inspiring the international component of students' undergraduate study. Major advisers in particular provide support and guidance to students who wish to integrate study abroad into their academic careers at the College. Approval to study abroad is formally granted by the Study Abroad Committee, and the Major Adviser Evaluation Form is an important factor in the evaluation process. Students should discuss their study abroad plans, including both program choice and semester of study, with their major advisor in advance of applying for approval to study abroad. The Major Adviser Evaluation Form is due by the application deadline of February 15th and can be accessed on BiONIC through two different links (via the Major Work Plan or the BMC Students Menu). Thank you in advance supporting students in their study abroad journey!

-Tracy

IMPORTANT DATES

FEBRUARY15

Applications Close for Approval to Study Abroad in Fall 22 and Spring 23

MARCH 15

All students are notified of their approval status to study abroad

APRIL

Pre-departure Orientations for all Fall 22 Study Abroad Students

Update: Spring 22 & Beyond

More than forty Bryn Mawr students are studying abroad this Spring, in England, Ireland, Scotland, Austria, Belgium, Denmark, France, Germany, Italy, Greece, Spain and South Korea. Applications for College approval to study abroad in Fall 2022 and Spring 2023 are now open, and I am so pleased to report interest remains strong among students seeking to go abroad in the next academic year. I look forward to working with academic departments to support your students, and I welcome the opportunity to meet, answer your questions, and collaborate; you can reach me any time at
